A two-year postdoctoral position within the Academic Human Resource Programme of the Czech Academy of Sciences (CAS) is available in one of the research teams in the Institute of Mathematics CAS in Prague or Brno.

Applications are invited from candidates who have completed their Ph.D. after October 1, 2017 (exceptions possible due to maternity/paternity leave, military service, long term illness, long-term international study stay, etc.). Applicants who have not yet obtained their Ph.D. must produce evidence that they will defend their thesis before October 1, 2019.

Publications as well as other activities and professional achievements will be judged by the stage of their career. Informal inquiries should be directed to the Project Manager, [Dr. Beata Kubis](#).

The following documents are required:

- **CV**
- **List of publications**
- **Motivation letter**
- **2 letters of reference**

Application for the position must be submitted exclusively using the electronic submission system at <https://application.math.cas.cz/Positions.html>.

Only complete applications (including the letters of references) received by August 15, 2019, will be considered. Online interviews with shortlisted applicants will be scheduled for September 9, 2019. The successful applicant, in collaboration with the Project Manager Dr. Beata Kubis will prepare a research project by September 30, 2019. The Academic Council of the CAS will judge research projects coming from all institutes of the CAS, and its final decision is expected in November 2019.
